

Result oriented

Objective:

- 1. What is Result oriented?**
- 2. What is my understanding about being result oriented?**
- 3. How we can implement result oriented in work life?**

What is result oriented ?

"Focusing on outcomes rather than output"

- **Output:** An output is a tangible or observable result of specific activities or tasks
- It represents immediate, often quantifiable and concrete deliverable of a process
- **Outcome:** An outcome is a desired result or consequences of an action or a series of action
- It reflects the overarching goal you aim to achieve
